

PLAN YOUR CIGAR EVENT

CIGARS

We have cigar factories in Nicaragua, Honduras, and the Dominican Republic who make cigars for us in different strengths and flavors. You can pick any combination of cigars you want or you can leave it up to us to bring the right combination. All cigars will be a robusto (5 x 50) size except the flavored cigars, which are petite corona. You may request another size and we can give you the updated price per cigar.
